Keith Pohl, president of the Junior Class, led the graduates of 1952 through a very successful year.

The Juniors presented the annual class play, entitled "Spring Green", by Ryerson and Clements. It was directed, as usual, by Miss Julia A. Royse and E. W. Gillaspay. The Junior-Senior Prom was held in June. When this book went to press, committees were being appointed and preliminary plans laid.

Ambitious officers and energetic, loyal committees contributed greatly to the overall success. A dance after the Grand Haven basketball game also helped to liven things up.

Advisors are: Miss Whitfield, H. A. Kruizenga, and Leonard Schregardus.

Sophomores got off to a late start this year, waiting until early spring to organize their class. They met one afternoon in the study hall with Mr. Bolt, principal, and made up a slate of candidates. They printed ballots and elected officers, as follows: President, James Davies; vice-president, Dean Bailey; secretary, Sally Sekeres; treasurer, Bill Start; sergeants-at-arms, Leroy Mitchell and Ken Plichta.

When the Oaks went to press, the class had not yet become active except to appoint a sophomore ring committee to confer with the Juniors and a ring sales representative. Advisors had not yet been named.

Student Council is an organization representative of "democracy in action". Through the Student Council, students have an opportunity to express their opinions on the administration of school affairs. Learning to govern themselves is one of the most important things students can learn.

Activities

Extra-curricular activities, as well as activities and projects accomplished in connection with the work of the regular classroom study, are important factors in a student's education.

Activities help a student's social development. Membership in all of the clubs offers experience in discussion, the making of quick decisions, experience in parliamentary procedure, and speaking in public.

Among the many opportunities offered in this high school are: membership in clubs, student council, debate; participation in band, orchestra, glee club, choir, dramatics productions, forensics; membership on the high school newspaper staff of "The Acorn" and the yearbook staff of "The Oaks"; selling Oaks advertising; style show in the home economics department; home talent or amateur shows; intramural athletics, and interscholastic athletics.

Back row—Davies, Runk, Bredin, Johnson, MacIntosh, Woodruff, Andree, Billingsley, Brouillet, Cutler, Plichta.
 Second row—Mr. J. Verduin (advisor), Cook, Lascko, Fischer, Davies, Mrs. Thompson (advisor), Zarimba, Decent, Lee, Bernard.
 Front row—Souser, Cooper, Sauders, Sekeres (sec'y), Newald (pres.), Murray (vice-pres.), Dasler, Verduin, Peliotes.

Student Council

The first Student Council was organized in 1933 and was much different from the present-day Council. All class advisors were members of the Council, and attended every meeting. Later, upon suggestion of faculty members, the students decided to make it strictly a "Student" Council. Officers of the first council were: Clement Gilbert, president; Nelson Damm, vice-president; and Flora Anderson, secretary.

Today, the Student Council has broadened its activity. It helps to better the relationship of the student to school life. Officers today are: President, Shirley Newald; vice-president, Douglas Murray; secretary, Carol Sekeres. John Wood was appointed secretary the second semester to fill the post vacated by Miss Sekeres who resigned. George Andree is finance chairman.

James W. Verduin has been advisor of the Student Council for six years. The students and the entire school owe Mr. Verduin a real debt of gratitude for his splendid co-operation.

Back row—S. Carpenter, Sheppard, Allmon, Smith, Whalen, Rosenhauer, Moeller.
 Third row—Tobey, Peterson, Poe, Williams, Fekete, Hilton, Gerwin, Dines, Smith.
 Second row—Williamson, Moran, Zelinski, Martin, Fowler, Rogers, Burns, Graves, Gilbert, Long, Runk.

 Absent when picture was taken: Newblom, E. Carpenter, Warner, Shelkey, McDonald, Garvey, Warner.

Publications

The Heights High Herald, a literary magazine, monthly, was the first publication. It appeared in 1922. That same year, The Oaks, senior class yearbook, made its initial appearance. The Oaks continued to increase in popularity until the present day, when more than 1200 copies are sold annually and the book recognized as one of the best, with 168 pages of interesting information. This 1951 annual cost about \$4,000 to produce.

In 1930, the Heights High Herald was discontinued in favor of a new form of publication, a student newspaper, which was named "The Acorn" by the new advisor, W. E. Murray, who had joined the faculty English department in the fall of 1930. For eight or ten years all of the work on both The Acorn and Oaks was done after school hours. Six o'clock in the afternoon was "quitting time" for the editors. Today, much of the work is done in journalism classes. All publications have been printed under guidance of C. F. Koehn, printing instructor. The printing "can't be beat."

The subscriptions and advertising staffs for The Oaks had a successful season again this year. Biggest regret was the loss of our "star" salesman, Mr. R. A. Peterman, subscription advisor for the last 30 years. C. F. Bolt and several members of the faculty took over in Mr. Peterman's absence, however, and completed direction of a sale of 50 pages of advertising and 1200 copies of The Oaks.

Twenty teams sold advertising this year, each team being assigned to a definite business area. Businessmen were, as usual, very co-operative. The good-will evidenced by them was worth every cent spent for the ad itself.

Subscription captains were Shirley Newald and Marilyn Bomers for the girls, and Jack Keglovitz and Junior Meyers for the boys. At this writing, nobody knows which team won, but it was a "hot" race.

General chairman of the Publications Board is C. F. Bolt.

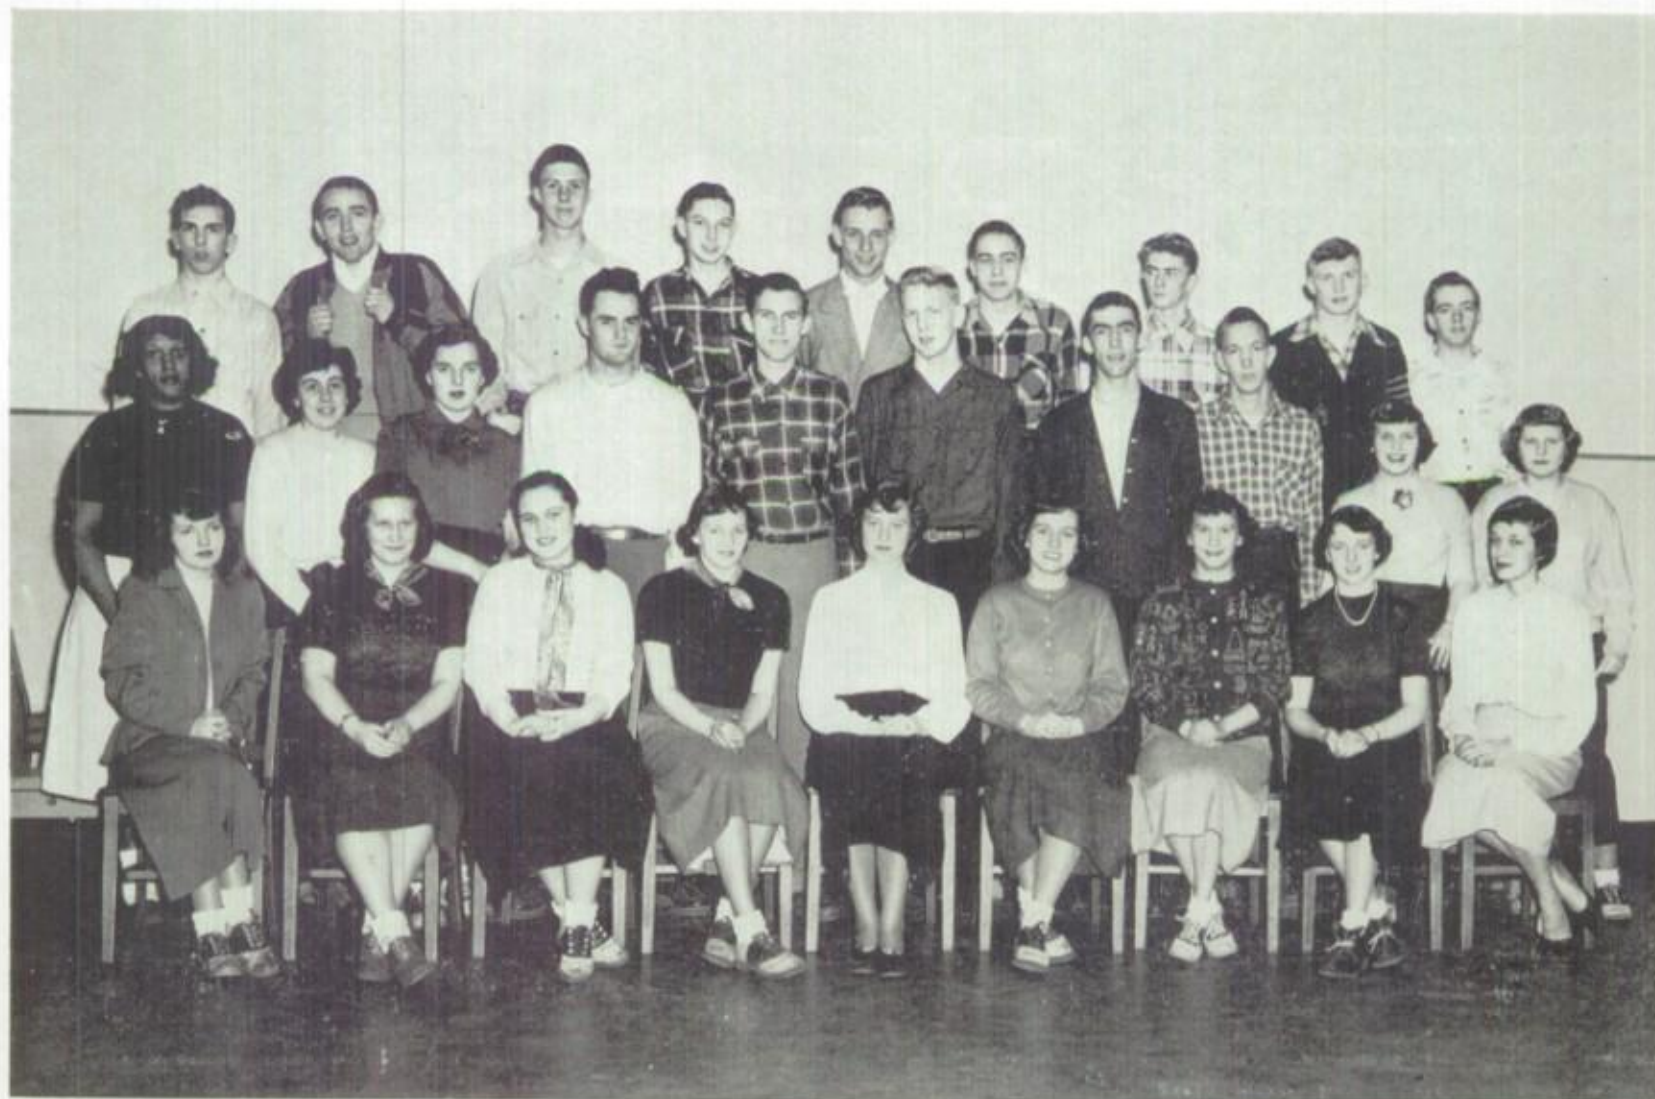

Oaks Business Staff

Back row—Keglovitz, Ghezzi, Norden, McGill, Christensen, Johnston, Long, Gauthier, Bowers.

Middle row—Bell, Peterson, Boss, Moeller, Meyers, Johnson, Campsmith, Hill, Newblom.

Front row—Langius, Decent, Payne, Unger, Carpenter, Rudd, Harvath, Bomers, Montgomery.

Absent when picture was taken: Newald, Shelkey, Grant, Souser, Riley, and Dopfel. These students really had "pep" when it came to sales.

This year the debaters of Muskegon Heights High school continued to uphold the outstanding record which has been established over the past years.

Debaters opened the season for 1950-51 by defeating Grand Rapids Union on both sides. In the next round, the opponent was Grand Rapids Ottawa Hills, and a split decision was the result of the contest. In the third round both our teams were victorious over Grand Rapids South. We closed the season with a split decision over Battle Creek.

Once again, therefore, for the fourth consecutive year, Heights High debaters won six debates, qualifying for the State Championship race. We were eliminated by Lansing Sexton, and it may be of considerable interest to note that for the last four years, the team which has defeated Muskegon Heights, went on to win the State title. At this writing, Lansing Sexton looks like a probable state champion for 1950-51.

Miss Julia A. Royse and E. W. Gillaspy coach the Heights teams.

"Spring Green"

The Junior class presented the well-known comedy, "Spring Green", for the second time in the history of the school in 1951. The play centers around the antics of worm-loving Newton Todd, a shy but intelligent young man of seventeen.

Because of an accident, Miss Julia Royse was unable to attend early play preparations and a later date than usual was assigned. E. W. Gillaspay was director, and Miss Anne Whitfield, assistant.

"CHEAPER BY THE DOZEN"

The Senior play centered around the life of Frank Gilbreth, among whose accomplishments was the rearing of a dozen children on an efficiency program. The play was well received by large audiences in spite of the postponement owing to a severe snowstorm which paralyzed the community.

Much credit is due Miss Julia A. Royse and E. W. Gillaspy, directors, and the cast which kept everyone "in stitches".

Forensics

Muskegon Heights was capably represented in the forensic contests this year. The winners in the elimination contest here at school were as follows:

Oratorical declamation, Harriett Lee and Dorothy Hesselink; Dramatic Reading, Marilyn Verduin and Marilyn Hamilton; original oratory, Joni Newblom, and Alan Edick; extemporaneous speaking, Junior Meyers and Jack Johnston.

The local contests were under direction of E. W. Gillaspy, assisted by Miss Anne Whitfield, owing to the illness of Miss Julia Royse.

At the time of this writing, all of the foregoing students were busy preparing for the district forensic contest to be held in Muskegon, where they were to be Muskegon Heights representatives.

Back row—Mr. Gillaspy, Johnston, Verduin, Lee, Edick.
Front row—Hesselink, Meyer, Newblom, Hamilton.

Library Club

The Library club was first organized in October, 1928. Mrs. Parker began the work and Miss Julia DeYoung carried on. First officers were: President, Daisy Gilmore; vice-president, Augusta Hutson; secretary, Tillie Mabrite; treasurer, Marion Shupp.

Purpose of the club as originally organized was to serve the faculty and the student body efficiently and to inspire the love of reading, to develop capable library assistants, and to promote a friendly library atmosphere. Motto is "Grow and Serve."

The Library staff of today has the following duties to perform: assist in the preparation of books for circulation by typing cards, pasting and shellacking, taking charge of the charging desk, doing the shelving of returned books, keeping books in order, and supervising the periodical storage. Keeping the bulletin board up to date is also part of the job.

Heights Hi-Y club began an enthusiastic program October 9, 1922, after re-organizing from the previous year. At that time, the new Bible study books were distributed and plans for the year were discussed. At the next meeting, officers were elected as follows: President, Dan Kelly; vice-president, Lewis Fitch; secretary, Stan Burggraaf; treasurer, Kenneth Nystrom. Paul Meader was the club advisor in those days, and did a "swell" job with the boys, many of whom are outstanding men today.

In 1951, Hi-Y officers were as follows: President, Kermit Warrick; vice-president, Douglas Murray; secretary, Robert Cutler; treasurer, John Wood. Mr. Fred Krueger and Mr. Leonard Schregardus were advisors. Distribution of good-will bags at Christmas time was one of the main operations of the year. Swimming and meetings at the YMCA were enjoyed by all.

 Fourth row: Vanderweele, Steenhagen, Brongersma, Black, Bickowski, Decent, O'Reilly, Pawlak, Balas.

 Front row: Miss Heiken, Davies, Cook, Cooper, Sauders, Kruizenga, Newald, Bomers, Unger, Harvath.

Y-Teens, a high school organization co-sponsored by the local YWCA, has changed a great deal since the first club in 1921. It was first known as the Girl Reserves organization, and changed its name in recent years to "Y-Teens".

The social calendar of the Y-Teens this last year has been crowded with many activities. They have sponsored two dances, "The Pigskin Punt", a football dance, and a spring "dress-up" dance which had not yet been named when The Oaks went to press.

Y-Teens also sponsored a series of meetings on boy-and-girl relationships. A rummage sale, a baked-goods sale, a faculty tea, Christmas caroling, and a tea for senior girls helped to bring the session to a very successful close.

French Club

One of the first clubs to be organized in our school was the French club. It was under the capable supervision of Miss Mary Lichtenæur in 1924. The aim of the club was to create interest and promote good fellowship among students taking French. The primary purpose of the club today is much the same.

First officers of the club were: Richard Geroux, president; Maurice Wilsie, vice-president; Rebecca Redmon, secretary; and Dorothy Powell, treasurer.

Present officers are: Bob Cutler, president; Sandra Ambrose, vice-president; Laura Saunders, secretary; and Alice Weirsma, treasurer.

This year's activities consisted of social gatherings, corresponding with French students, and a skating party. Jean Massot was a guest speaker.

A. M. Courtright is advisor.

Back row: Witham, Kempker, Mr. Courtright, Tucker, Carlson, Edick.
Front row: Saunders, Ambrose, Cutler, Wiersma, Hoogewind.

Spanish Club

Spanish club is a comparatively recent organization, beginning only a few years ago when Spanish became a part of the regular curriculum. Mrs. George Hastings, present advisor, was the founder of the group.

Activities of the Spanish club have included dances, programs for the Muskegon County Tuberculosis sanatorium, booths for refreshments at the football games, and an observance of Pan-American Day.

Spanish was taught here for three years before the club was organized in 1948. Each year the club has added a few more things to its list of many achievements. The club has, of course, a serious purpose also. A better understanding of the Spanish people and their customs, as well as Spanish culture and world peace underlies the aim of the club. Any student who wishes may apply for membership.

Top row: D. Shelkey, Stark, Anderson, G. Carlson, Hawley, M. Shelkey, Hamilton.
Middle row: Cook, Brown, Cogswell, Merrihew, Petropoulos, Deater, B. Carlson, Premo.
First row: Decent, Kenjesky, Edick, Meyers, Cutler, Warrick, Mrs. Hastings.

Booster Club

Miss Cobb, Anderson, Cranston, Pelfresne, Hartsema, Lee, Januska, Grant, Davies, Ambrose, Bringedahl.

Officers in this year's Booster club are: Betty Seng, president; Virginia Davies, secretary; and Jean Grant, treasurer.

To join the club there are only two requirements: first, the student wishing to join must have a "B" average and, second, must have 500 points in girls' athletics. Both are "easy" to get.

The Booster club promotes school athletics by selling candy, hot-dogs, potato chips, gum, and coffee, at the football games. The profit goes to the school.

The club also sponsors the Christmas Formal every year. This year it was called "The Snowball Dance" — funny thing is, "The Snowball Dance" is a tradition from 'way back when!

Regular business meetings were held on first and third Wednesdays of each month. Miss Maxine Cobb is advisor.

The main work of the art classes this year revolved around the painting of murals for the high school. Plans have been made and it is possible that before this school year is out, the murals will be painted on the walls of the corridors. Miss Kathryn Keillor is the art instructor. Her work has been highly praised throughout Michigan. Many of her students have created some outstanding work.

Students working on the murals for the main hall include Kathleen Poe, Tom Bringedahl, and Dick Welton. Those planning the mural for the library are: Doreen Tobey, Geraldine Gilbert, Marian Shelkey, and Gena Dines. The cafeteria murals are being created by Carol Williamson, Eldonna Peterson, and Marylyn Moran.

Other work done by art students includes posters for contests, composition, and art for The Acorn and Oaks, senior class publications. The Oaks staff wishes to thank Miss Keillor and the entire art class for their splendid help. It is virtually impossible to produce an outstanding yearbook without the help of our artists.

A Cappella Choir

The finest of choral literature is studied and performed by the A Cappella Choir. R. Maynard Buck, director, selects the members of the choir on the basis of tryouts held at the beginning of each semester.

The Choir performs many times during the year, for community as well as school functions. Formal concerts at Christmas and during the spring semester are presented annually. For several years, the Choir has maintained a superb position. It is held in high acclaim by all who have heard it, a fact which is a credit to the choir members, to the director, and to our school.

This year a spring Festival-clinic was held here, during which the choir and orchestra combined for a day and evening of thrilling musical experience under a guest conductor and other artists. It is hoped that this Festival will develop into an annual event of interest to all of this area.

Glee Club

About 20 of the Choir formed a group known as the "Chor-aliers", who often sing where a larger group is not convenient. This group has become extremely popular because of its many "Fred Waring" possibilities.

Under the direction of R. Maynard Buck, the Glee club was developed primarily as a vocal training organization. It has become a real performing group as more and more girls have indicated an interest in this type of training.

The Glee club went to the Holland Tulip Festival along with the A Cappella Choir last year and also performed at this year's Christmas concert of the choir. The Glee club welcomes all interested girls to their organization. The Glee club meets every other school day. It is recognized as a good starting place for Choir members to tryout and to train for the future. However, the Glee club stands on its own merits and turns in a splendid performance.

Our marching and concert band of more than 100 members thrilled and entertained thousands of persons during the year, under the capable direction of Paul G. Liddicoat.

Half-time performances at the grid games provided many highlights, such as a review of present and past Broadway shows, and a show publicizing Muskegon Heights industries. The Annual Heights Nite show proved a big success, and the Spring Concert, in April, drew hundreds of interested music lovers into the auditorium.

The school, and the community as well, can be proud of Muskegon Heights High school band. As a unit, it has marched hundreds of miles during the year for a variety of community celebrations. Hours of practice often go unnoticed. We take this opportunity to commend the band and its director.

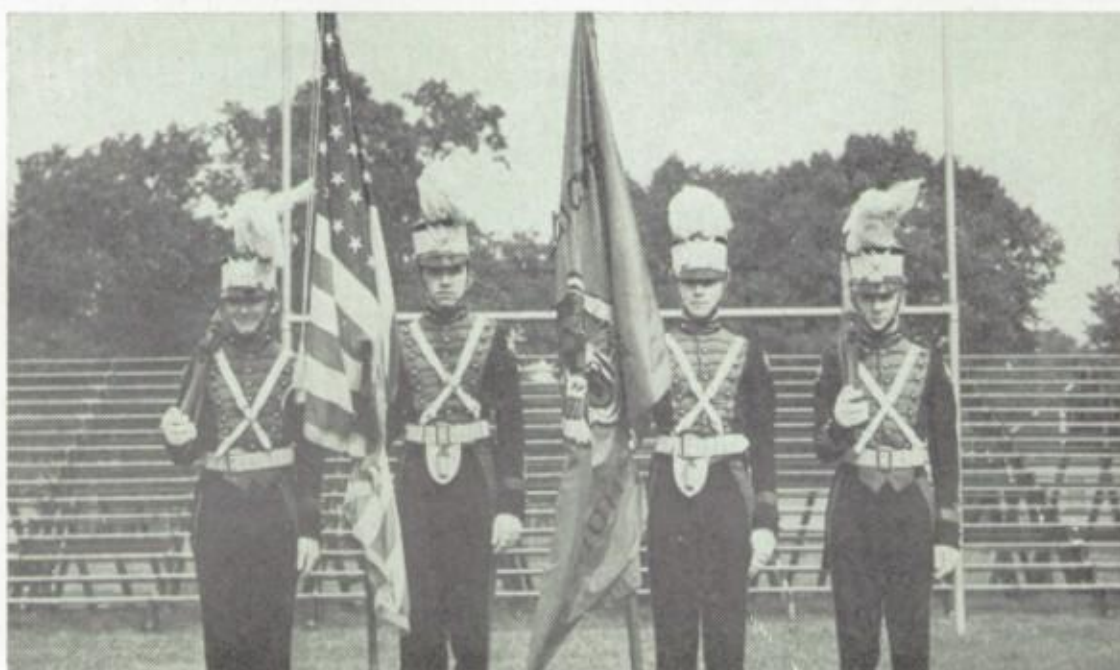

The football half-time shows enjoyed by Heights fans are originated and directed by Paul Liddicoat, our versatile band leader. He is a graduate of the U. of M., where he was outstanding in band work.

Twirling their way down the field, the majorettes add a "glamour touch" to the band. They are: Arlene Schei, Barbara Paulin, Norman Durham (drum-major), Pat Genter, and Gloria Carlson.

These four young men who precede the band with the school and nation's colors are: Fritz Mauch, Loren Bartrand, Ron Martin, Jack Boles.

Orchestra

Mr. Buck
Director

The MHHS Orchestra, also directed by R. Maynard Buck, is composed of some 35 members. It was organized to promote an understanding of the many line compositions. The compositions written for this medium of expression provide ample opportunity for the high school instrumentalist. Most important, perhaps, is that such practice helps to expand their musical knowledge and appreciation.

The orchestra presents two formal concerts a year. It also plays for other school functions such as plays and assembly programs. A string ensemble formed from members of the orchestra perform for many community and school functions.

Best Looking

The good looks of the class are the property of Joanie Harvath and Eugene Fischer. They have a patent on the idea.

Cutest Couple

As a couple, Barb Withrow and Gordie Johnson have our vote as "the tops". See them go spinning around together!

Class Cut-ups

Peg Montgomery and Chuck Long are the Class live-wires. If anything's cookin', you can bet they will be on hand.

Most-likely-to-succeed

Of course it's too early to be sure, but our guess is that two most likely to succeed would be Joan Grammel and Mike Meyers.

Most Athletic

Burns and Ghezzi are a unanimous choice for a championship team of athletes. Gloria and Don get the Class Trophy, if any.

Best Editors

Bonnie Decent and Jack Keglovitz, co-editors of this year's Oaks, have our vote as "best editors of the year."

Most Popular

"There's a reason" these two are most popular, and Shirley Newald and Ken Essenberg certainly deserve the honor.

Best Dancers

If it's dancing you want to learn, in ten easy lessons, just see Shirley Januska and Merrit Bergklint.

Biggest Flirts

Marie Fowler and Jerry Billingsley are a couple of swell guys with those "flirty-flirty eyes."

Best Actors

Acting is the specialty of Joni Newblom and Bob Carlson. Our vote goes to these two "characters" on-and-off-stage.

As you have probably discovered, the pictures shown here were taken at two different times during the annual Tiger-Big Red contest. On the left, hidden in the pileup, is Douglas Murray, Tiger quarterback, sneaking over for a touchdown. On the right is Paul Bailey, halfback for the Tigers, scoring again. Naturally, only one ball was used in the game. (But say! There's an idea!)

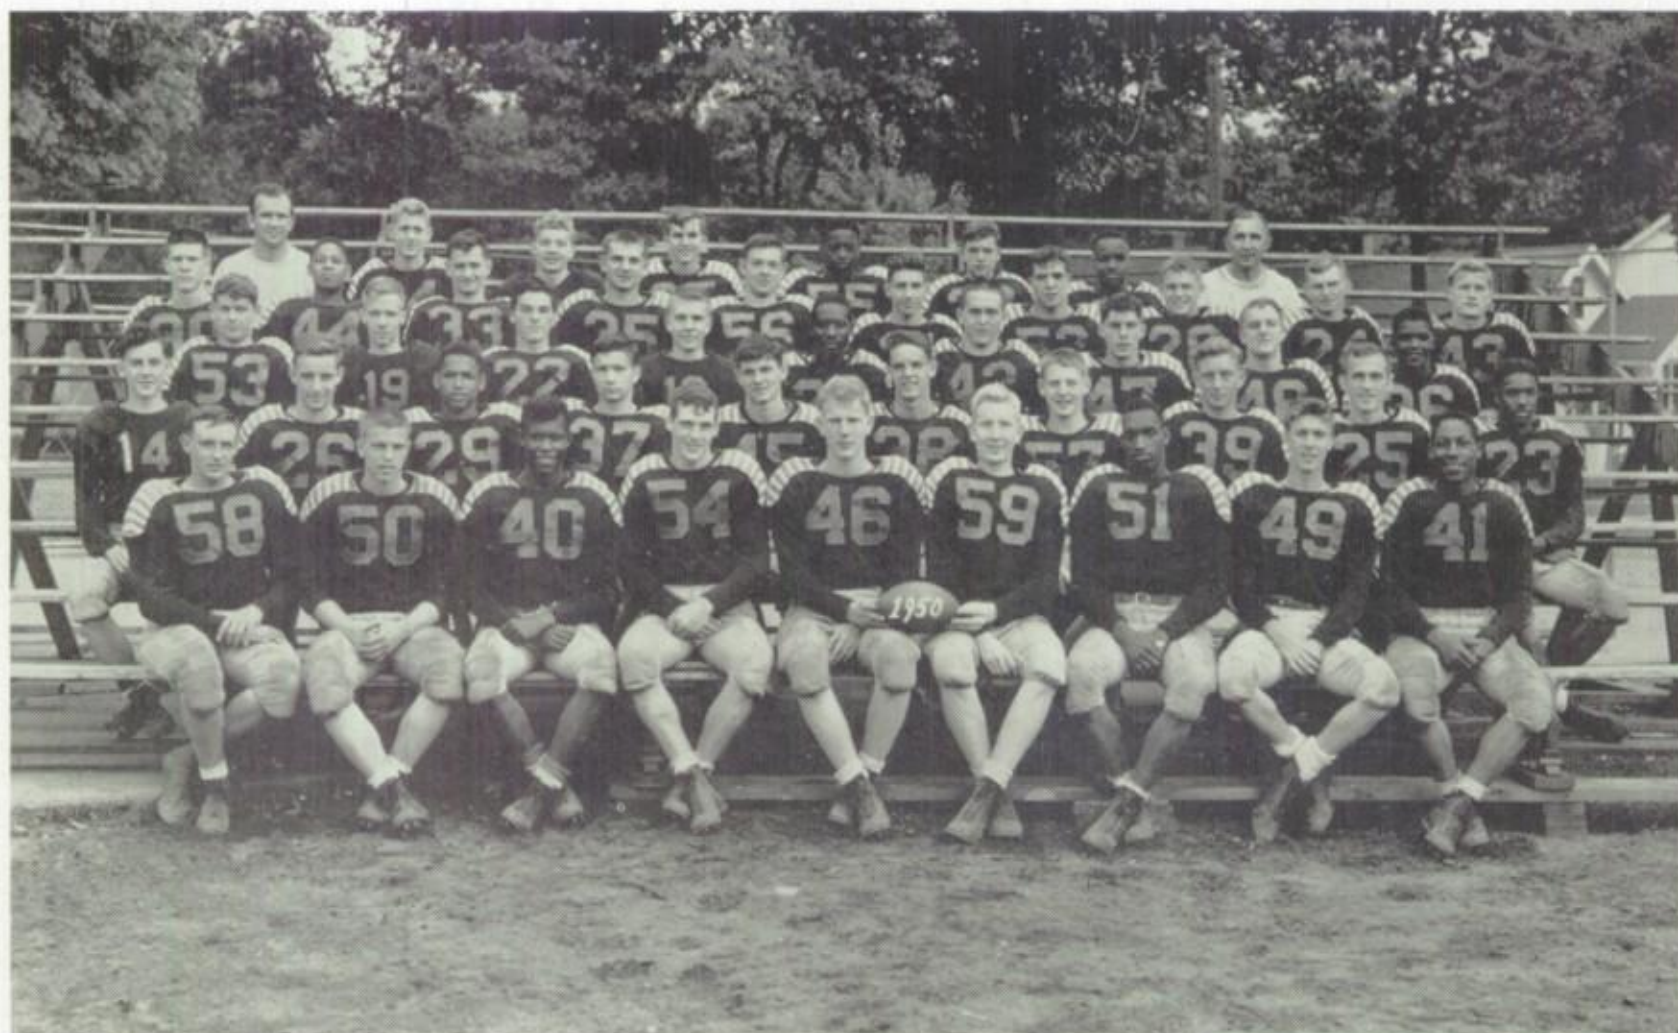

Yea, Tigers!

Take note, dear readers, for on this page you see a photograph (two in fact) which you may never see again. Look carefully and you will see the Muskegon Heights Tigers making two touchdowns simultaneously against the Muskegon Big Reds last November at Phillips field.

Now you may see the Tigers make more touchdowns against the Reds some day, but when, if ever, will you see two being made at the same time? These two touchdowns earned the Tigers the Southwestern Conference crown for 1950. Since 1930, the Tigers have been victorious over the Big Reds 11 times, losing only seven to Muskegon. Two games were ties since 1930, the year both schools began battling in Class A on an equal footing.

Football catches the attention of most fans, but we have basketball, baseball, track, and tennis teams as well. "Athletics for all" is the motto at Heights High.

Re-Caps of Conference Games

Sept. 29. Tigers 18; Holland 7. Jackson, Ghezzi, and Bailey each scored a touchdown in this game to give the Tigers their first Southwestern Conference win. From this point on, the Tigers looked good. Jackson gained most yardage for an individual; Ghezzi supplied the necessary drive when called upon.

Oct. 20. Tigers 32; Grand Haven 7. In the annual meeting with their oldest rival, the Tigers showed their sportsmanlike affection by trimming Grand Haven's Blue and Gold Buccaneers to the tune of 32 to 7. Bailey, Jackson, Ghezzi, Camp-smith, and Hall all scored for the Tigers. It was the Tigers' second conference win. The line appeared to be shaping up in good style.

Oct. 27. Tigers 31; Benton Harbor 0. It was close to Halloween, but proved a nightmare only for ill-fated Benton Harbor. It seemed as if all the powers of destruction, backed up by a tempest, suddenly descended upon our downstate rivals. Jackson and Bailey rambled almost at will up and down the Benton Harbor gridiron, as Douglas Murray, Tiger quarterback, maneuvered the Tiger machine into advantageous positions time after time. The powerful Tiger line tore Benton Harbor to shreds.

Oct. 13. Tigers 7; Kalamazoo 19. In a rough and tumble, hard-fought game at Kalamazoo, the Tigers received their first real set-back in Conference competition. Jackson, small but durable, lugged the leather 40 times by himself, averaging more than five yards a try. Yet the Tigers did not win. One or two bad breaks of the game allowed Kazoo's fast backs to get away for touchdowns. It was one of those nights when either team could have come out victorious. Those who did not see the game immediately underrated the potential of the Tiger powerhouse the rest of the season, to their dismay on November 15.

Nov. 11. Tigers 13; Muskegon 6. Driving through the snow and cold, a strong, alert, and powerful Heights Tiger football eleven captured their tenth Southwestern Conference championship by defeating a determined Muskegon Big Red eleven 13 to 6 on Phillips field. The Tigers held the lead all the way, with Doug Murray calling a quarterback sneak, making it good in the second quarter to give the Tigers the edge. In the third quarter, Bailey went the distance for the Tigers and Jeter kicked the extra point to make it 13 to 0. The Big Reds scored their lone tally in the third period, but threatened continually until the final whistle. It was a great victory for a Heights team which improved tremendously. Much credit must go to a battle-weary, battered bunch of linemen.

September 29. Tigers 13; Holland 12. The Tiger Cubs put up a good fight and managed to win, 13 to 12, although Holland's passing attack ran our Reserves ragged. Mitchell scooted around end for the first score, and Burmeister tossed one to MacMurray for the other.

October 13. Tigers 20; Kalamazoo 0. The Reserves proved it was their "lucky day" by winning their second Conference game, trouncing Kalamazoo 20 to 0. Despite a leg injury, Mitchell again piled up three touchdowns and passed to McMurray for the extra points. By this time, the line really had begun to ramble.

October 20. Tigers 34; Grand Haven 6. The Little Tigers ran their winning streak to six in a row by defeating the Grand Haven Seconds 34 to 6. Shifty Leroy Mitchell set the pace by scoring three times, once on an 80-yard sprint to the goal-line. Louis McMurray made four out of five extra kicks for the extra points.

October 27. Tigers 7; Benton Harbor 14. Official whistles sounded a symphony of gloom after the first loss for the Tiger Cubs in seven games. Benton Harbor defeated the Tiger Cubs 14 to 7. Penalties, one after the other, took the edge off the sharp Heights eleven. Mitchell shot around end 12 yards to score and Louis McMurray scored the extra point with a good boot.

November 11. Tigers 13; Muskegon 19. Coaches McKenzie and Schaudé and the Tiger Cubs lost their last hope for a Conference title when the Little Reds of Muskegon shot a short pass in the last two seconds of the annual game to break a 13-13 tie, and win 19-13. Some 4,000 chilled spectators watched the defeat in a blizzard and temperature of 28 degrees. Mitchell rifled a pass to McMurray for the first T.D. and big Ochs blasted the line for the other. The teams played evenly for four quarters.

Gridiron Personalities

Coach Firme

This quartet of coaches, headed by O. E. (Okie) Johnson, is one of the outstanding "teams" in the state. Since 1927, "Okie" and "Mac" have produced well-trained, alert grid machines.

Dr. Ralph V. August, team physician has proved himself a loyal, hard-working, unselfish aide-de-camp.

H. A. Kruizenga and E. W. Gillaspy, faculty athletic managers, have charge of all ticket sales.

The Tigers, who compiled a won-6 and lost-9 record during the season, were rated a "dark horse" in the state title cage race. Many times the Tigers would come very close to coming out on top, but often couldn't quite reach victory. Two of the Tiger defeats came at the hand of powerful Kalamazoo Central, a team which went on to capture its third consecutive state Class A championship.

The Tigers will lose four of their regular players this June. Graduating in the Class of 1951 are: Gordon Johnson, James Jackson, Jerry Moeller, and Richard Valuck. The only returning regular from the starting five is Louis McMurray. All of these boys played consistently hard-fought basketball and deserve a great deal of credit. It will impose a burden on Coach Johnson next year to replace them.

Season's Scores

Won 5, Lost 10

In 15 games during the past basketball season, Coach Lawrence Schaudé's Reserves won five and lost ten. They hold victories over Grand Rapids Central, twice over Grand Haven, Ottawa Hills, and Kalamazoo.

In the 15 games, the Seconds averaged 36 points per game, to 38 for their opponents. They made a total of 128 out of 268 free throws attempted. The Reserves had a total of 540 points for the season.

Individual scoring honors went to Bob Mauch, 6'3" pivot man who bagged 173 points for an 11.6 point-per-game average for the season.

A Heights track and field team has not been defeated in a dual meet in three and one-half years, to date of this writing, March, 1951.

When The Oaks went to press, Coach D. R. McKenzie had issued a call for team members and was preparing for the opening intrasquad meet of the season, The Orange and Black annual meet. Snow was in the air and it was still questionable whether the meet could be held.

Top row: DeFrench, Torrey, Coach Firme.
 Second row: Bailey, Harrington, Walthers, Johnson, Meister, Pattison, Sutton, Lambrix.
 Front row: Kerley, Boles, Carlson, Cutler, Meisen, Mauch, Fortenbacher.

With 11 matches scheduled for this season, Coach Del Firme is in hopes of another successful net season. This year Coach Firme must shape his team around five returning lettermen. His summer tennis program has proved a help.

Returning lettermen are Bob Cutler, Bob Mauch, Don Talmadge, Art Hartman, and Jack Boles. Last season, the team had a splendid record of seven won, four lost, with the most impressive part of the season being the last. The Regional Championship, in which Benton Harbor, Lansing Eastern, and Lansing Sexton, as well as Muskegon Heights, participated, was held at Holland.

At the start of the 1951 season, Bob Cutler, Bob Mauch, and Don Talmadge appeared to be the leading prospects for starting positions. Coach Firme stated early in the season that he expects to have a good team, probably as good as any in the Conference, except for Holland or Kalamazoo, perhaps, who have seasoned net squads.

Coscarelli's Banquet

Of all banquets enjoyed by the football players last season, that donated by Jim Coscarelli, genial concessionaire, stands out in the memory. Not that other banquets were not appreciated. They most certainly were, but somehow Jim's, being a "one-man-gang" affair of long-standing, stands out as a championship performance.

Jim not only provides the eats, he prepares them as well, and then serves them, too. He goes all out on the menu, sparing nothing: fruit cocktail, roast tur-

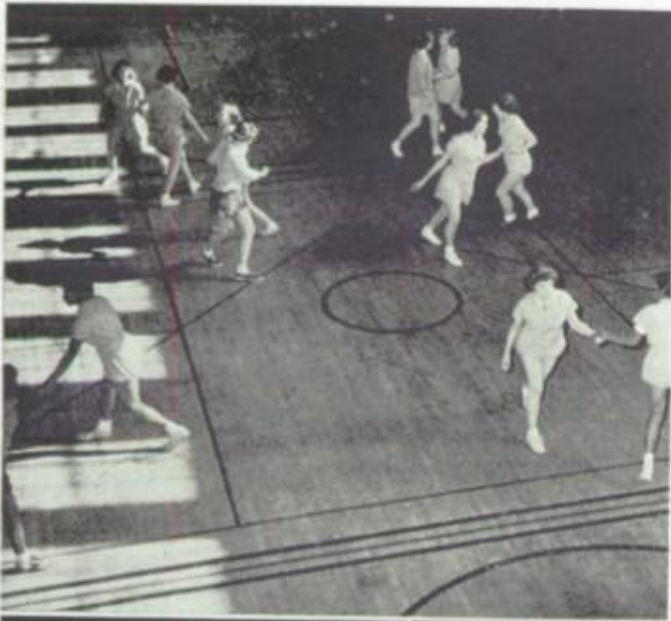

key, whipped potatoes, special orange and black banana split, milk or coffee, candy, cigars (for the men), and all the trimmings. It was held in Sacred Heart Hall.

Last season, C. F. Bolt was toastmaster. Fr. F. J. Flynn gave the invocation. O. E. Johnson introduced the team. The Hon. B. P. O'Grady, Mayor, offered his congratulations. Music was provided by members of the orchestra directed by R. Maynard Buck. Majorettes served the dinner. In short, it was "tops."
